

Maclay Marauders Fight Song

We'll climb any mountain, sail stormy seas
We can't wait to seize the day
The Marauders of Maclay – BIG BLUE!

Bring home the victory, bring home that win
Show them all the champions' way
The Marauders of Maclay – GO BLUE!

(Refrain)

We may face adversity, we may see gray skies
But when you live the Marauder way
To any challenge RISE!

So, hail all Marauders, live with great pride
Show all the world we rule the day
The Marauders of Maclay
Show all the world we rule the day
The Marauders of Maclay - BIG BLUE!
